

# MAIL ORDER PACKAGING

THIMM secureLock is shipping packaging with a tamper-proof lock. It provides optimum product protection and is particularly well suited for foodstuff mail orders or high-value items. The seal lock ensures the packaging remains intact during transportation.

## THIMM secureLock

Shipping packaging with a tamper-proof lock

### CUSTOMER BENEFITS

#### Safe shipment with tamper-evident lock

- » Seal is easy to open by recipient
- » Tamper-proof lock ensures seal during transportation
- » Recipient can identify intactness of packaging by the seal
- » Optionally with or without product fixation

#### Savings in the production process

- » Glue-free closing
- » Rotary production and large formats can be produced

>> Design number: 149001.01.711
