

SALES AND PROMOTION PACKAGING

THIMM Octagon is an octagon packaging with a plug-in floor lock. The hand and automated packaging is easy to assemble, fill and can be flexibly adapted to meet customer requirements. The unusual appearance due to the octagonal shape is ideal for the use of round product shapes.

THIMM Octagon

Octagonal packaging with a plug-in floor lock

CUSTOMER BENEFITS

Suitable for manual and automated packaging

- » Can be flexibly adapted to meet customer requirements, e.g. viewing window cut-outs, one insert or two-part version with separate lid possible
- » Easy to assemble and fill without additional glue
- » Increased stability of the design (thanks to higher BCT value)

Octagonal shape creates an unusual appearance

- » High advertising impact due to good product visibility and full-surface printing possibilities
- » Ideal for round product shapes and promotional goods

» Design number: 143259.02.705

APPLICATION AREAS

- » Round product shapes
- » Cosmetics and body care
- » Promotional goods
